Notes from the Teacher:

We are growing so much! Please continue to practice sight words at home. Math fluency flash cards and small readers will come home soon to practice as well. These things do not need to be returned to school. You may keep them at home to practice.

Parent Teacher Conferences are soon. I will be sending out a sign up link through Class Dojo. If you do not have access to Dojo but would like a conference, please send me a message in your child's agenda with an approximate time. I will do my best to find a time slot close to that time.
